EXTRA FACILITIES

The expansive grounds of the Canning Vale Country Club also boast a range of sport and leisure activities that can be incorporated into your event or function. Perfect for:

- Corporate Meetings – start your day with a relaxing 9-holes of golf before heading to the boardroom table. Your attendees will be revitalised and ready to tackle the agenda.
- Social Days – why not run a round-robin squash, tennis and golf tournament before unwinding in the outdoor courtyard with a hearty BBQ dinner and drinks with family and friends.
- Bucks or Hens Parties – when you combine a range of different friends, sometimes it's difficult to ensure everyone is included, so why not introduce a team sport like paintballing to your day's activities. New friends will become old buddies in no time!

GOLF

The Canning Vale Golf Course is perfect for those who prefer short fairways, tidy greens and no-fuss golfing. With nine par 3's you're guaranteed a quick game that will test your skill with the irons.

SQUASH & TENNIS

Add some variety to your day with a game of squash or tennis. Our glass-enclosed squash court allows for fantastic spectator viewing and audience participation! Plus the two outdoor double hard courts allow for plenty of Hewitt-style tennis antics.

WASP PAINTBALL

If you've never played paintball before, be prepared - you're about to enter the combat zone!

It's a game of strategy, skill and courage. You'll soon learn to dodge the opposing teams paint ball attack whilst protecting your own territory and your fellow team members. You'll run, scramble, laugh (a lot!) and find yourself immersed in the competition. It's not for the faint-hearted, but it's definitely for the fun at heart. Guaranteed to deliver a battle ground story that you'll be re-telling for years!

We have full female and male change room facilities including showers.
